ROBERT PERRY OF MITSUBISHI DIGITAL ELECTRONICS AMERICA, INC. APPOINTED TO CABA BOARD OF DIRECTORS

February 24, 2003

The Continental Automated Buildings Association (CABA) is pleased to announce that Robert Perry, Vice President, Marketing, Mitsubishi Digital Electronics America, Inc., was recently appointed to the association's board of directors. CABA is a nonprofit industry association that provides information, education, and networking to help promote advanced technologies for integrated systems and the automation of homes and buildings in North America. Perry joins a group of industry leaders active on the association's board of directors.

"I welcome the appointment of Robert Perry to the Board. He brings considerable experience to CABA especially in the consumer electronics sector," stated Ronald J. Zimmer, CABA President & CEO. "His presence will broaden and strengthen our diversity and help sharpen our organization's focus in the audio and video markets."

Perry is responsible for Mitsubishi Digital Electronics' marketing efforts, including product development and government affairs. In addition, Perry has taught economics, management and computer science at several colleges and served in the U.S. military in intelligence, communications and engineering. He now serves as the chair of the Video Division Board, and member of the Executive Board, Consumer Electronics Association (CEA).

Perry is also a director of the Home Recording Rights Coalition and the Home Audio Video Interoperability (HAVi) Corporation. He holds a Master's degree in Management and a Bachelor's degree in Business.

About CABA

The Continental Automated Buildings Association (CABA) is a leading industry association that promotes advanced technologies in homes and buildings in North America. More information is available at www.caba.org.
