“Look for the WELL seal: Evidence-based strategies for health & safety in commercial real estate”

Special 30-40 min Keynote Presentation

Paul Scialla
Founder & CEO
Delos Living LLC

Description: From stadiums and hotels to corporate offices and coworking spaces, organizations, and facilities all around the world are getting back to business with the support of evidence-based standards, programs and solutions. Founder of the International WELL Building Institute (IWBI) and Founder/CEO of Delos, Paul Scialla, will share how the WELL Health-Safety Rating for Facility Operations and Management is leading the charge in helping buildings and organizations address the health, safety, and well-being of their most valuable asset—people.
