

Leadership

Brian Ensign

Vice President, Marketing at Superior Essex Communications
Intelligent Buildings Council Chair

Brian Ensign is Vice President, Marketing at Superior Essex Communications, a structured cable manufacturer focused on delivering industry leading product solutions focused on enabling technology and intelligent spaces with sustainability in mind. In his role, Ensign leads a team of marketing and demand creation professionals focused on customer engagement and the creation of industry-leading solutions. Ensign's industry experience over the last 26 years has centered on technology-, market-development, and marketing activities in the Information and Communications Technology (ICT) community with a focus on structured cabling, intelligent spaces, sustainability, partnerships, and cyber security. Ensign holds a Bachelor of Science Degree in Electrical Engineering Technology from the SUNY Polytechnic Institute along with RCDD, NTS, OSP, and RTPM designations from BICSI, where he is a BICSI Past President. Ensign is a frequent public speaker of industry, technology, and trends at various industry events and functions.

Bob Allan

Intelligent Building Market Manager, The Siemon Company
Intelligent Buildings Council Vice-Chair

Bob Allan, LEED Green Associate, is the Intelligent Building Market Manager for The Siemon Company, headquartered in Watertown, CT. Allan supports the North American sales team to educate its current and potential customers on the ConvergeIT Intelligent Building cabling solution: a single converged, IP based structured cabling system to connect and integrate multiple building systems. Mr. Allan has over 15 years in the IT industry and worked at Honeywell Building Solutions from 2010 to 2013 helping customers optimize and integrate their buildings.
